

Authorisation by Property Owner to Appoint Relevant Building Surveyor

Property Address:.....

I/We.....

(Owner/ Owners)

appoint the Relevant Building Surveyor of Online Permit Solutions Pty Ltd to carry out the functions under the Building Act 1993 and Building Regulations 2018.

Also, I/we have not appointed another relevant building surveyor for these works. I make this appointment in my capacity as the owner for the above site. I am the authorised and current owner of the building/land and this authorisation, as made by me/us includes and is not limited to any application, (including occupancy permit application), appeal, referral, dispensation, council report and consents, performance based solutions, partial compliance applications or other applications as needed under the Building Act 1993.

Expungement: This authorisation may be revoked and may be made null and void if any documentation submitted with the application is subsequently found to be false, improper, misleading, incomplete or fraudulent, at the sole discretion of the Relevant Building Surveyor once all other enforcement processes and proceedings have been exhausted.
